Short Course in First Aid and CPR

Assessment Methods

Online theory assessments and face-to-face practical assessment.

Note: the provision of Adult and Child CPR must be demonstrated on the floor.

Course Materials

Training is supported through the provision of quality learning materials and resources.

Students undertaking this short course should wear comfortable, casual clothing. This course will include activities such as bending, kneeling and lying on the floor. Students will also require access to a computer or tablet with internet connection to complete the theory component of the course.

Enrolment

A learner's position on the course will only be confirmed upon a completed enrolment form and the payment of your course fee.

Numbers are limited, so confirmed enrolments will only be able to attend on the day of training.

Responsibility for Training

LivCor is responsible under the National Vocational Education and Training Regulator Act 2011 for the quality of the training and assessment being delivered in this course and for the issuance of all AQF certificates. Please refer to the Student Handbook for further information on all student rights and obligations including complaints and appeals.

Certification

A nationally-recognised Statement of Attainment will be issued to all successful participants including the following units of competency:

HLTAID009 Provide Cardiopulmonary Resuscitation

HLTAID010 Provide Basic Emergency Life Support

HLTAID011 Provide First Aid

Learner Support

This course requires Language, literacy and numeracy (LLN) skills to interpret work instructions, complete online theory and record work outcomes. If you believe you do not possess the requisite LLN requirements for this course please refer to the Learner Support Services Policy or discuss your needs with our friendly team.

National Recognition

On successfully completing the training and assessment you will be issued a Statement of Attainment for the relevant units of competency.

These units of competence are nationally recognised and provide individuals with a valuable outcome that is recognised throughout Australia.

Work Placement

There is no requirement for work placement in this course.

Workshop Attendance

There is a compulsory face-to-face workshop component of this course. Students must attend a face-to-face assessment to be assessed in practical aspects of the course curriculum.
